EXPERIENCE

11/2025 - 11/2026

AdTech & Digital Media Specialist
Tangoo ↗

- Managed and scaled multi-market programmatic campaigns across 20+ countries in Europe, North America, and Latin America, with end-to-end ownership of strategy, activation, pacing, forecasting, optimization, and performance outcomes
- Planned and executed programmatic advertising campaigns across CTV, Display, DOOH, Native, and Audio
- Activated and optimized campaigns with leading DSPs (DV360, Amazon Ads, Teads, Hivestack, Adlook, Zemanta, Pladway) and SSPs (Index Exchange, Google AdX)
- Maintained strong working relationships with ad tech partners to support campaign planning, forecasting, and optimization
- Owned the end-to-end setup and management of Dynamic Creative Optimization (DCO) using Google Studio, CM360, and dynamic feeds to serve tailored ad variants across audience segments
- Delivered and managed Meta advertising campaigns
- Developed comprehensive digital media plans aligned with overall marketing objectives
- Defined campaign KPIs, measurement strategies, and optimization frameworks
- Monitored campaign delivery, troubleshooting underdelivery, tracking issues, and inventory constraints
- Conducted A/B testing on audiences, creatives, and placements to improve effectiveness
- Created and managed Looker Studio dashboards for Meta, Core Web Vitals, Google Ads, Google Analytics, and programmatic reporting
- Developed cross-channel attribution and reporting frameworks in Looker Studio and GA4
- Conducted post-campaign analysis (PCA), covering viewability, completion rate, CTR, and ROAS
- Delivered campaign performance insights and optimization recommendations to the internal team and clients
- Implemented and managed Google Tag Manager, including building custom functionalities
- Ensured compliance with data privacy regulations (GDPR, CCPA) across all digital campaigns
- Managed a portfolio of over 100 affiliate clients
- Experienced with leading affiliate networks including Awin, Tradedoubler, Rakuten, Webgains, Impact, PartnerStack, Partnerize, CJ, Daisycon and Belboon
- Partnered directly with account managers and technical teams at major affiliate networks to troubleshoot tracking discrepancies, resolve integration issues, and streamline client operations
- Collaborated on improving internal workflows to increase efficiency and support growth

05/2025 - 11/2025

IT Technician
Gjirafa

- Provided first-line technical support to employees, resolving hardware, software, and network issues
- Building piece by piece a setup for E-Sports tournament which were held in Kosovo in 2025
- Installed, configured, and maintained workstations, laptops, printers, and peripherals
- Set up and managed user accounts, email, and access permissions for new and existing staff
- Tracked and resolved support tickets, documenting solutions to speed up recurring fixes
- Maintained IT hardware and software inventory

12/2024 - 03/2025

Full-Stack Developer Intern
SHARP Group

- Developed and maintained web application features across front end and back end during a 4-month internship using the MERN stack (MongoDB, Express.js, React, Node.js)
- Built responsive user interfaces with HTML, CSS, and JavaScript
- Created and integrated REST APIs and worked with databases to store and retrieve application data
- Debugged and fixed issues, and tested features before release
- Collaborated with senior developers using Git for version control and took part in code reviews
- Completed the internship with a reference letter from SHARP Group (available on request)
